Digital Control Incorporated declares that this certificate is issued under our sole responsibility and belongs to the following product:

Product Name: TeraTrak® R1™ | Model: TTR1 | Product ID: TTR1

The TeraTrak® R1™ is an above ground device that maps the terrain or change in elevation along a predetermined path with a fixed start and end point during a horizontal directional drilling operation

The R1™ is powered by an internal DigiTrak® brand rechargeable lithium-ion battery.

The object of the declaration described above is in conformity with the relevant Union harmonization legislation:

Radio Equipment Directive 2014/53/EU; Directive 2011/65/EU

The following harmonized standards and technical specifications have been applied:

EN 301 489-17v3.2.0
EN 301 489-1v2.2.0
EN 61326-1, Class B
EN 55011 +A1

EN/IEC 61010-1:2010
EN 300 328v2.2.2
EN 62368-1:2020+A11
EN 62311:2008

Restrictions on the use of this product may apply.

Please visit www.digital-control.com for regional operating frequency and power specifications, restrictions or permit requirements. For translations of this document and others, contact productcompliance@digital-control.com

This certificate was issued by Digital Control Incorporated on December 15, 2019
